Dear Second Edition Owner:

We wish to thank you for ^{your} enthusiastic support of the Wasatch County Daughters of Utah Pioneers project, and we have enjoyed the many letters of happiness we have received from you, expressing joy in finally being able to own a copy of "How Beautiful Upon the Mountains".

It has been a tremendous undertaking, but an exciting, rewarding, and successful project. We appreciate all the encouragement and help we have received that has made it possible.

Now, with a good deal of encouragement, we are embarking on another undertaking, and we will be very grateful for your support and enthusiasm for this project, also.

Our town is growing, and the comments and feeling of our citizens has been that we need a museum and have needed one for a long, long time. We have outgrown our little relic room, and feel that now is a good time to work towards a MUSEUM.

In addition to the beautiful print of the Wasatch Stake Tabernacle, depicted to look as it did at the turn of the century, we have also had prints made of the photograph which is the cover on your book "How Beautiful Upon The Mountains".

We hope you will agree that these prints are lovely and want to own them. We also want you to know that the proceeds from the sale of them will go into a museum building fund.

Sincerely,

WASATCH COUNTY D.U.P.

PRESIDENT
